Additional Equipment	
Ikerkerek	Yes

Comments:

Mercedes Sprinter 514 box for 8 Europallets with lift. OFFER NUMBER - 045696 For sale we offer a Mercedes Sprinter 514 with a box for 8 Euro pallets and a DHollandia lift with a capacity of 750 kg. The vehicle was manufactured in 2019, imported from France and is in very good visual and technical condition. The white paintwork looks elegant and has only minimal signs of use. The suspension works perfectly and all mechanical components, including the gearbox, operate without issues. The vehicle is powered by a CDI engine with a capacity of 2.2 liters and 140 HP, which ensures good driving dynamics. The six speed gearbox works precisely and the engine runs flawlessly, making the vehicle stable and reliable on the road. The Sprinter is equipped with ecological solutions - AdBlue system, complies with EURO6 standards and has ECO mode, which reduces fuel consumption and is environmentally friendly. Additional features include automatic air conditioning, cruise control, twin wheels and a loading lift. The vehicle does not require any additional financial investment and is ready for work immediately. The gross vehicle weight is 3500 kg. We invite you to Wałbrzych for a test drive - minimum formalities and proven quality appreciated by many customers. Equipment: - ABS - ASR - START - STOP - ECO driving mode - Immobilizer - AdBlue - On-board computer - Airbag of the driver - Power steering - Multifunction steering wheel - Central lock - EURO6 - Automatic air conditioning A/C - Cruise control - Electric windows and mirrors - Armrest - Touch radio - Tool boxes - Lift: DHollandia 750kg - Twin wheels - USB - Bluetooth - 6 Gear - 3 Seats - 8 Europallets - Dimensions of the cargo area: Length: 420 cm / Width: 210 cm / Height: 220 cm / Please feel free to purchase Reference number: ATP-1033;
